You may enter and use ranges any time after 10:00 A.M. until dusk, except when scheduled events are taking place. These events can be found in your newsletter or on our website. After entering, close the gate and put lock in chain with gate closed.

4. Archery Range: The outside 3D course requires a shooting fee due to the cost of the targets. Money can be deposited in the drop-box outside of Trap building.
5. All club meetings are the first Tuesday of each month. The Board of Directors meet at 6:00 P.M and the regular membership meetings start at 7: P.M. 6. A member who works eight (8) hours during the membership year (September 1 to August 31) will have his/her dues reduced by half. Each member gets credit for time worked. For example, if a member and spouse work four (4) hours each, their work credit has been met for the year. If a member's child is seventeen (17) and will be eighteen (18) before September and wishes to become a member on their own, then they may do so joins during the September/October time frame.

The requested date must be available and can not conflict with any club-scheduled events.
11. Elections for officers and directors of the club are held every year at the September annual meeting. We encourage you to attend meetings and become involved in club projects.
